If more than one student likes the same book, share different parts or favorite characters and encourage them to try other books that other students like. For example, the Church of England celebrates the first Sunday of July instead of June. In particular, Catholic churches often have a special service on Godparent Day. An example of this is NPH USA. Here, we'll see what a godfather is and when God's Day is celebrated. However, it was very different from what it is now. Of course, godparents can also buy gifts and other needs or provide some monetary support for the child. Parents designate certain people to help monitor and guide their children. In today's churches, this person (or people) is considered essential to the spiritual growth of a child. 3. This is something like a godfather's role.
